The screenshot displays the app's interface for a child's daily report. At the top, the browser address bar shows 'app.kidkonekt.co.za/'. The app header includes the 'KidKonekt' logo and the text 'HENRY DAY CARE DEMO'. The main title is 'My Child Last Name', with a back arrow and the subtitle 'Development & Daily Logs'. A green notification box states: 'Today's child development and daily logs have been submitted'. Below this is a 'Verified Curriculum Portfolio Log' for 'Today' (17th). It shows a 'Present' status with a green checkmark and a 'Needs Support' status with a yellow warning icon. The 'Daily Progression Index' is shown as three blue stars and two grey stars. A text box titled 'DEVELOPMENTAL ACTIVITIES & MILESTONE OBSERVATIONS' contains the text: 'Had their food, and looked distracted. wasnt playing as usual and kept to himself'. A purple callout box with an arrow points to this text box, containing the text: 'REPORT ON ATTENDANCE/BEHAVIOR AND ADDITIONAL NOTES'.
